

# Ordering Information

## Return Policy

We understand that sometimes it is necessary to return merchandise. In order to assist you in returning any merchandise received from ACSI, we ask that you follow these guidelines.

- Permission to return merchandise must be granted by ACSI for credit to be issued, unless it was ordered on 60-day review. Call 800-367-0798 for authorization to return materials. The following must be true in order for the merchandise to be approved for return:
  - It must be in new, resalable condition.
  - It must be less than six months old.
  - It must be included in the current ACSI product catalog.
- The following merchandise may not be returned to ACSI for credit:
  - No **Stanford testing materials** or Stanford ancillary materials may be returned. Please retain any overstocked testing items for future use.
  - Videos and computer discs are not returnable.
  - Stamped, stickered, or used items are not returnable.
- When authorization to return merchandise has been granted, please follow these shipping instructions:
  - Enclose your pink packing slip or a copy of your invoice in the package, along with the Product Return Form.
  - For merchandise to arrive in new and resalable condition, use a strong corrugated carton and a buffer (crumpled paper, Styrofoam material, or plastic bubble sheets) on the top and sides of the material in each box. Use a flat buffer on the bottom of the box. *ACSI is not liable for damaged returns.*
  - Use the ACSI address label from the Product Return Form, or send returns to  
ACSI, Attn: Returns, 731 Chapel Hills Drive, Colorado Springs, CO 80920.
  - Insure your shipment and retain the receipt. It is recommended that you ship by a traceable means, such as UPS or FedEx Ground Services, which would also be responsible for any damage incurred in shipping. *ACSI is not liable for damaged returns.*
- A 10% restocking fee will be applied to the credit memo for approved returns unless the materials were shipped to you in error by ACSI or the order was on 60-day review and was returned within that time period.

Thank you for assisting us by following the above policies.

**ACSI reserves the right to select the carrier and delivery service for all orders. Please call for special shipping needs.**

## Terms

- Full payment is due within 30 days of invoice date.
- MasterCard, Visa, American Express, and Discover cards are accepted.
- Bookstores may request an application for trade discount.
- To receive member prices, the invoice must be payable by the member school placing the order unless a public system is funding the school's order. Orders by individuals, including home-schools, will be charged nonmember prices.
- IACSA<sup>®</sup>B members receive member pricing on trade books only.

## Review Copies

Customer must indicate the desired review copies at time of order. Limited review copies are shipped at full invoice plus shipping. Items may be returned within 60 days for full credit, except original shipping charge, if in salable condition. Return shipping charges are also paid by the customer. ACSI member schools may request one free Purposeful Design student text per grade level for review. These texts are the school's to keep; the school will not be invoiced for books but will pay shipping.

**Call Customer Service for review policies of Mosdos and TextWord literature books. Review copy offers are not valid for schools in certain countries.**

## Free Teacher Editions

ACSI member schools are eligible to receive a free teacher edition for each classroom quantity of student books ordered. A minimum purchase of 10 student books per grade level is required. This policy applies only for orders of Purposeful Design textbooks from member schools in the United States and member schools listed in the International Region section of the ACSI member directory.

## Shipping and Handling Charges

Amount of order	Shipping and handling charges
Up to \$100	\$10
\$101 and up	10% of order

These charges do not include expedited orders or shipping costs to Alaska, Hawaii, or international locations. Call ACSI Customer Service for these charges.

## Shipping Guidelines for Bookstores

The guidelines for bookstores and domestic schools are the same. UPS will be used when the order is seven boxes or fewer. Conway Express will be used for orders containing eight boxes or more. Bookstore orders will incur a 10% shipping and handling fee. ACSI reserves the right to select the carrier, delivery service, and guidelines for all orders.
